NOTES:

If a person signs up after September, dues will automatically be prorated using the 12-month rate.

Community Outreach, NEA FCPE and WEAPAC amounts do not change with FTE status.

* NEA FCPE requires a one-time sign-up.

** WEAPAC requires a one-time sign-up and are ongoing until the employee notifies in writing that s/he would like to stop contributing.

IMPORTANT: Any rate change submitted on a new form *replaces* the existing WEAPAC deduction amount. Do not add new WEAPAC amount to existing amount - new authorizations are not an "addition to" - they are a "replacement for" the original amount.
